CU PolicyPro includes more than 230 detailed model policies that can help your credit union manage today’s ongoing compliance and operational challenges. The comprehensive suite contains model policies that are compliant with regulations and written especially for credit unions by experts. It includes model policy content, plus a full policy management system that can be customized to fit a credit union’s individual operations.

Managing your operation’s policies just got easier.

CU PolicyPro provides staff, management, board and regulators easy access to policies and policy updates.

Stay on top of regulatory changes with CU PolicyPro. Model policies are updated quarterly to keep current with changing laws and regulations.
